ATTENTION TEENS AND PARENTS OF SOUTH EDDY COUNTY

The Carlsbad Community Anti-Drug/Gang Coalition is seeking applicants to serve on its Teen Advisory Board. Any local teen currently attending grades 9-12 and under 18 years of age is invited to apply.

Participation will involve meeting with Teen Advisory Board at least once per month. Meals/refreshments and gas money (if needed) will be provided.

Board members are expected to:

- 1) Actively express their viewpoints on the reasons that the abuse/misuse of prescription drugs, marijuana, novel nicotine products, or other drugs is occurring in our community;
- 2) Actively express their viewpoints on the reasons why measurable problems with neighborhood attachment and neighborhood disorganization, as well as lack of opportunities and rewards for positive teen behavior exist here;
- 3) Develop and assist in implementation of a teen-driven program to address one or more of the problems named above;
- 4) Elect at least two Board members to represent the opinion of the group with the Coalition's Community Board, an adult group that meets on the first Wednesday of every month at 4:00 PM at Carlsbad City Hall;
- 5) Have a great time while making a REAL difference in the community.
